WELCOME TO THE CITY OF ST. GEORGE AIRPORT **SGU**

The St. George Municipal Airport is the aviation gateway to St. George and Southwestern Utah, located just two minutes from downtown St. George.

With Lake Mead to the south west, Lake Powell to the east and with several National Parks such as Zion's, Grand Canyon, Bryce Canyon, Canyon Lands, and Brianhead Ski Resort, flying into the St. George region shows the beauty that one would enjoy.

The Airport is served year round by Delta Airlines, connecting through Salt Lake City, Utah, and by United Airlines, connecting through Los Angeles, California, with SkyWest Airlines flying the Delta and United connections.

The St. George Municipal Airport also serves FedEx and UPS cargo carriers.

A full array of general aviation services are also available at the St. George Municipal Airport, including aircraft maintenance, flight instructions, fueling services, charter and scenic sightseeing trips.
